

The strengthening of the evaluation of public policies at the Cour des Comptes (France) : objectives and methods

INTOSAI Working Group
on Evaluation of Public Policies and Programs (WGEPPP)

September 2022

Bern Switzerland

Strategy

- **A goal for 2025 : 20% of ressources dedicated to the evaluation of public policies (EPP)**
- **To achieve this :**
 - Schedule 2 EPPs each year in each of the 6 chambers
 - Strengthen our skills through coaching and follow-up
 - Reinforce our links with evaluators (ministries, research community, etc.)

A stronger programming in 2022/2023

Scheduled publication	Training	Evaluated Policy
2022	1	State-guaranteed loans
2022	1	Control of foreign investments
2022	1	Recovery plan to revive tourism
