

INTOSAI

Working Group on Evaluation of Public Policies and Programs

Relation between the Court of Accounts and other evaluation actors

Yassin NACIRI

Head of section, Court of accounts, Morocco

July 7&8, 2021

General framework of evaluation in Morocco

- **Constitution : Evaluation of public policies has constitutional value**
 - **Public authorities are working to create consultation bodies, intending to associate the various social actors in the development, implementation, and evaluation of public policies**
 - **Role of Parliament in the evaluation of public policies**
 - **Court of Accounts / assistance to the Parliament and Government**
 - **Evaluation : Compulsory in public services**
 - **Higher Education Council : evaluation of related policies and programs**

General framework of evaluation in Morocco

- **Organic Acts (Lois organiques) / territorial communities (Collectivités territoriales)**
 - **Regions, Municipalities, Prefecture & Provinces**
 - **Evaluation and accountability principals**
- **Financial jurisdictions law : Court of Accounts**
 - **Projects and programs evaluation**

Evaluation actors in Morocco

- **Public actors :**
 - Government
 - Parliament
 - Court of Accounts
 - Inspection bodies : IGF, IGAT, IGMs
 - Economic and social Council (CESE)
 - CSEFRS (Education field)
 - ONDH (Human development field)
 - HCP (High Commission for Planning)
- **Funders**
- **NGOs : Local associations and evaluation associations**
- **Private sector consultants**

Court of accounts / Government

- **Watching** : during the development of sectorial policies
- **Monitoring** : Accompanying the implementation of sectorial policies
- **At the request of the Government**
- **Annual program**
- **State budget report : Annual evaluation of programs**

Court of accounts / Parliament

- **State budget report : Annual evaluation of the programs**
- **At the request of the Parliament**

Court of accounts / Other actors

- **Use of other actors' works in evaluation**

Requirements of the Organic financial law

- **Support and reinforce major state reforms**
- **watch sector policies**
- **Monitor performance in public action :**
 - **Three-years budgeting**
 - **Budget by program**
- **More bridges between the different activities of the Court**

Challenges and prospects

Challenges

- **Standardization of the Public Evaluation Approach**
- **Confusion Audit Vs Evaluation**
- **Availability of mixed skills**

Prospects for the future

- **Go beyond audit and its approaches**
- **Need for multidisciplinary teams**
- **Need for economic and social calculation**
- **New paradigm: Value Public Management**

Thank you for your attention
