- **Detailed update by SAI Brazil**

Looking Ahead: 2026-2028 (I/II)

Looking Ahead: 2026-2028 (II/II)

- WGEPPP Flash:
 - Planned for end of November/early December
 - Call for topics and presenters from members and observers
- Publications / Communication:
 - Continue INTOSAI Journal contributions
 - Continue publishing WGEPPP outputs and project results

Outlook – Your input is needed

- Our future activities depend on the engagement and ideas of our members and observers
 - Which topics should future WGEPPP Meetings and Flashes address?
 - Are there methodological gaps where WGEPPP could add value?
 - Which SAs would be interested in leading or joining future activities?
- Already submitted proposals:
 - Measuring the performance in the military sector
 - Improving collaboration with parliament, government and agencies
 - From responses to results: Maximising the impact of online surveys
 - Best practice in making recommendations to improve performance
 - Causality, contribution and attribution: How can we demonstrate that a public policy works?

**Thank you
for your attention
for your contribution
for your engagement
for your continued support of WGEPPP**

We look forward to continuing our work together.
